- 00:50:32 - Andrea Haug: - That is good news Rob.
- 00:51:44 - Gerald Daniels: - Yes absolutely correct Theresa
- 00:52:21 - Stacey Soltoff: - my completely armchair analysis of the rise in homeless youth is that it's an impact of the rise in mental health issues & dv/neglect during the pandemic
- 00:52:56 - Gerald Daniels: - Thanks Sunshine; Gerald Daniels, Gerald@risecenterofhilltop.org, (253)777-2625

- 00:57:16 - Courtney Love she/her LEC: - can you tell us what the letters stand for?
- 00:57:44 - Theresa Power-Drutis: - Can people who are currently incarcerated apply for CHAP if they know they will be released before the next quarter begins? If so, how do they get an application?
- 00:58:14 - Stacey Soltoff: - combine that with fewer teens & young adults attending college & there are going to be more young ppl going out into the world w less support to make that adjustment to adulthood. *I'm* struggling & I'm a grown-ass adult w a college degree & life skills. my heart goes out to Gen Z trying to get through the pandemic & make this transition
- 00:58:22 - Lisa Kleiner: - What's the current average wait?
- 00:59:54 - Sally Perkins: - The future that young people thought they were moving toward has been totally disrupted. They have a lot of reasons to feel lost and uncertain. Heart-breaking.
- 01:00:04 - Toroid Ryan: - See everyone next week.... I have another meeting sadly. Hope everyone has a wonderful weekend Happy April Fools

- 01:00:29 - Jeffrey Boyce: - Please join us next week.
- 01:01:13 - Adam Reichenberger: - THA is working on improvements/changes to their vouchers, including CHAP, correct? Any thoughts on how these improvements could help CHAP applicants?
- 01:05:06 - Jennifer Ammons: - THA had also been considering doing away with or completely revamping the CHAP program. Is that off the table now?
- 01:05:12 - Sunshine Harper: - Sunshine Harper, CHAP (College Housing Assistance Program) Navigator at Tacoma Community College. sharper@tacomacc.edu 253-566-5210 Good morning community!!!

Tacoma Pierce County Coalition to End Homelessness

<https://pchomeless.org/> - info@pchomeless.org

- 01:21:10 - Lanae Seaworth: - Back to what was said earlier in the chat about the youth at risk. I know that the mental health care is not the greatest by far in our state but it usually points toward the adults. How can we come up with a solution to help the youth with mental illness?
- 01:23:24 - Sunshine Harper-CHAP Navigator: - https://www.tacomacc.edu/tcc-life/life-resources/college_housing_assistance_program
- 01:28:36 - Stacey Soltoff: - @Lanae that's an excellent question... I just started as a case manager in a community behavioral health clinic in King County & we currently can't even take new youth clients because we don't have enough licensed clinicians at the moment
- 01:29:27 - Theresa Power-Drutis: - Great job of pulling this all together Timothy Thank you!
- 01:29:33 - Stacey Soltoff: - @Lanae I have no idea if there's any peer support groups for youth in the community or at the schools
- 01:30:29 - Cathy Pick: - "People have the right to live in the area where they became homeless" I'd like to "borrow" this phrase for our renters bill of rights we are drafting!
- 01:30:37 - Lanae Seaworth: - Stacey well that's something that should be started if not
- 01:35:20 - Jay Worley: - hi. did I miss all the fun
- 01:35:57 - Stacey Soltoff: - hi Jay!
- 01:36:23 - Jay Worley: - hello, morning.
- 01:41:50 - Lavada Kent-Napier: - 2532312303
- 01:42:17 - Michelle Massero Tacoma Public Library: - Michelle Massero mmassero@tacomalibrary.org 253.280.2959
- 01:42:27 - Richard Dorsett: - Don't know which group I was in, but some suggestions for outreach:

Based on idea of homeless or formerly homeless, a panel that could speak to churches, service groups, neighborhood councils, law enforcement, fire department, medical providers.

- 01:42:48 - Stacey Soltoff: - speaking of networking... do we have anyone from either Pierce or Tacoma libraries that can reach out to me? stacey.soltoff@gmail.com
- 01:43:02 - Sally Perkins: - Room 6: Policy makers at Tacoma Public Schools and City of Tacoma, infographics on the realities of how people become homeless to counter misinformation and biases.
- 01:43:30 - Stacey Soltoff: - @ Sally LOVE that!
- 01:43:38 - Rob Huff (he/him): - Private Property Encampment Abatement
- In late 2021, Code Compliance launched a pilot private property encampment abatement program designed to assist property owners with addressing encampments on private property. Code Compliance works with the Homeless Engagement and Alternatives Liaison (HEAL) Team to offer outreach and alternative shelter options to those illegally occupying private property and then provides litter and debris abatement services at no cost to the property owner, once individuals have been relocated. To date, seven abatements have been performed under this program. Staff will be sending an alert to planned actions and a summary to Council members for the affected locations as future removals occur.
- 01:43:49 - Rob Huff (he/him): - City-funded Temporary and Emergency Shelter Performance
- The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at <https://cms.cityoftacoma.org/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf> and is updated weekly.

- 01:44:02 - Rob Huff (he/him): - Encampment Outreach
- The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to

<https://pchomeless.org/> - info@pchomeless.org

connect to shelter, behavioral health, substance use and employment services. For the week of 3/21/2022-3/25/2022 staff visited five locations and conducted four phone referrals. This resulted in 36 individuals being contacted, three of whom were placed into shelter.

01:44:09 - Sally Perkins: - Thank you, Stacey!

01:44:54 - Dana Peregrine: - lots of great ideas! such as... general public, labor unions, contractors, chamber of commerce, other groups involved with homelessness like Tacoma Safe, Compassion Tacoma, Democratic Socialists, etc. also, Landlord Assoc, Tacoma Tenants Union, Pierce County Municipalities (for ex, city councils), congregations, Pierce Transit

01:44:58 - Michael Yoder: - Room 8 - intentional outreach to elected officials in the County's smaller cities (councils and planning commissions), to make sure they fully understand the plan and its benefits. Also, more civic education about issues like homelessness throughout the County, especially in the more rural areas

01:45:30 - Cathy Pick-Tacoma Tenants Union: - Breakout room #3, We should be reaching out to: The unhoused themselves, finding out what their real needs are and finding out their reasons for declining shelter. Are they traumatized? Have they been the victim of crime while in a shelter? Do they need low barrier shelter (as in accepting partners & pets)?

Landlords who have housing units available, to ask them to relax their strict screening criteria. Removing barriers helps people obtain affordable housing.

01:45:33 - Sheila Mirafior: - Room 9- Community Outreach in person to Governor, City Mayors and Council Members. Bring people with lived experiences as speakers. Be sure in person outreach stays within boundaries of non-profit the Coalition is a part of.

01:46:16 - Laurie Davenport: - Room 11 — we need to engage the public with information about the plan and efforts to deal with misinformation and misconceptions. Suggestions included involving libraries in a variety of ways, holding public meetings, working with the faith-based community, signing on to petitions to support the plan, distribute the poster being developed by the SS4A media workgroup on paths to homelessness and use material such as the wonderful presentation Patricia did for the Coalition a while ago along with discussion and conversation — also engage the currently homeless population to let them know they are not alone and inform about the plan.

01:46:24 - Theresa Power-Drutis: - Room 2 response regarding potential outreach to build support for the Pierce County Plan to End Homelessness: service clubs; faith communities; community councils; real estate and landlord organizations; perhaps offer in-service or continuing credit options for educators and public service employees (including fire & law enforcement)

01:46:34 - Stacey Soltoff: - yay for civic duty! 🙌

01:46:38 - Sally Perkins: - Room 6 addition: McKinney Vento program people in each school district for outreach about the Comp Plan.

01:46:43 - Courtney Love she/her LEC: - rm 8 also acknowledged the corrupting influence of money in politics and state legislators can use their positions as bully pulpits.

01:47:23 - Timothy Harris: - Room 10 notes: Reach out to coalitions to find areas of agreement and joint advocacy, ie Tacoma Business Alliance, Tacoma Ministerial Alliance. Faith-based outreach gets to regular folks out in the community. Lots of potential for engagement of parents and kids in school system. Because school system counts homeless differently (includes doubled up and couch surfing) it's both a sympathetic population and a shockingly large one). Parents need better access to resources.

01:47:40 - Jennifer Ammons: - Valeri or Laurie, do you know how long it's currently taking to get a mediation scheduled after requesting ERPP?

Tacoma Pierce County Coalition to End Homelessness

<https://pchomeless.org/> - info@pchomeless.org

- 01:47:40 - rosemary powers: - group 4 outreach to both elected officials in small communities (building on the approach we used in the post election forums we had here); also be aware of the importance of building commitment of Tacoma City Council to the county plan, given what appears to be a cautiousness by city council (not staff) about things. Also an important perception that elected officials may not be aware of the work of small programs in doing outreach to people living homeless and how govt approaches may make it difficult to maintain the relationships that outreach workers are developing when that isn't understood. Discussed the dual meaning of outreach here, as coalition outreach to elected and the realities of outreach community work and the essential focus of relationships in both.
- 01:49:46 - Jennifer Ammons: - I think my question got buried. Valeri or Laurie, do you know how long it's currently taking to get a mediation scheduled after requesting ERPP?
- 01:50:12 - Valeri Almony: - Sorry Jennifer we don't. you would need to ask ERPP directly but they will be presenting Tuesday and providing data :)
- 01:52:50 - Carol Colleran: - Talking to County council weekly about funding homeless solutions. Contact me if need hand holding: Carol Colleran
- 01:52:52 - Laurie Davenport: - Yes, we don't know but CDR will have that info.
- 01:52:57 - Carol Colleran: - cacolleran@msn.com
- 01:56:41 - Michele Barnes: - Room 5 - Working with Neighborhood councils, business districts etc. , Networking in your own neighborhoods (training to know what resources are available and how to access them) reaching out to HOA's, getting neighbors involved (possibly retired individuals that want to volunteer), Getting information to libraries for staff to be able to reach out to individuals needing resources (libraries in Tacoma often deal with individuals experiencing homelessness on a daily basis)
- 01:58:24 - Jennifer Ammons: - That's amazing, Laurie! Well done!
- 01:59:02 - Stacey Soltoff: - where can we download this? where can we post it in the neighborhood?
- 01:59:13 - Carol Colleran: - How can we get this & make some posters for the community?
- 01:59:20 - Timothy Harris: - This is amazing. Thank you.
- 01:59:30 - Cathy Pick-Tacoma Tenants Union: - I would love to share this on social media.
- 02:00:08 - Stacey Soltoff: - 50%?! WTF?!?! 😞😞😞
- 02:00:13 - rosemary powers: - Laurie....very powerful
- 02:00:15 - Sally Perkins: - FABULOUS WORK!
- 02:00:17 - Sharon Seabrook: - Love this! Will share will all the PCLS branches today!
- 02:00:36 - Michelle Massero Tacoma Public Library: - TPL will have it up too.
- 02:00:36 - Stacey Soltoff: - @sharon thank you!
- 02:00:44 - Carol Colleran: - Sending to all the city and county council members, mayors, executives, labor unions
- 02:01:07 - Stacey Soltoff: - great idea carol!
- 02:01:20 - Jennifer Ammons: - I want to post electronic copies on Facebook and Next Door!
- 02:01:47 - Jay Worley: - will this be on the PC homeless page?
- 02:01:48 - Sally Perkins: - city council chambers poster needs to be 11 feet by 17 feet.
- 02:01:51 - Theresa Power-Drutis: - Nice job Laurie!
- 02:02:11 - Cathy Pick-Tacoma Tenants Union: - Maybe they'd actually notice it...
- 02:02:22 - Stacey Soltoff: - I am so warmed by all the ppl excited to share this all over the place!
- 02:02:32 - Sally Perkins: - They couldn't not notice it... :)
- 02:02:51 - Stacey Soltoff: - kudos to Laurie & Theresa for developing such an inspiring poster!
- 02:03:26 - Theresa Power-Drutis: - This one was 99.9% Laurie :)
