00:13:32 - Luis Rivera Zayas: - Good morning to all!

00:14:27 - Tod Gunther: - @Massero: Has Tacoma system ever considered a "Human Library"? Among other stations could be a former homeless person.

00:14:39 - Jeffrey Boyce: - Morning Luis

00:19:34 - Rob Huff (he/him): - Zoom Norms

Mute yourself when not talking.

Use Zoom's raise hand feature if you have something to say.

Limit distractions by turning off your camera if you need to take another call.

00:19:45 - Rob Huff (he/him): - Community Norms

Lead with a racial equity lens.

Be aware of power dynamics.

Challenge concepts, not people.

Listen to learn.

One person speaks at a time.

Speak from your own experience.

Make space, take space.

Assume best intentions and take responsibility for impact.

Be aware of time and agenda.

00:20:54 - Rob Huff (he/him): - There is a wealth of information at <http://pchomeless.org>

We continue to bring people in to Forging Paths Community (mitigation site 35th & Pac). Outreach Teams are out all day and Search and Rescue every evening. Our DTC (425 South Tacoma Way) is open all day and we serve all meals. Any questions please let me know.

00:25:21 - rosemary Powers: - STUBBORN OUNCES

Bonaro W. Overstreet

To One Who Doubts the Worth of Doing Anything if You Can't Do Everything

You say the little efforts that I make  
will do no good:

they never will prevail

to tip the hovering scale

where Justice hangs in balance.

I don't think I ever thought they would.

But I am prejudiced beyond debate

in favor of my right to choose which side

shall feel the stubborn ounces of my weight.

00:25:28 - Lavada Kent-Napier: - want Faith contact

- 01:15:19 - Jay Worley: - There is a suggestion tab for the soup van and other ideas

- 01:27:35 - Kenneth King: - Caleb, has anyone from county reached out to you about the morning cold weather meetings?
- 01:28:04 - Melinda/FUSION: - To tackle smaller encampments, start with a couple that are already known, and ask them to share where they know others to be, assuming that trust has been built. Transportation that is stocked with supplies and goods to be distributed and/or find out specific needs on a case by case basis, and then deliver.
- 01:28:20 - Sally Perkins: - Room 3. Train/guide people to think about what unhoused people actually need, not just what you want to bring. list out key items to provide, make the list by listening to people with lived experience.
- 01:28:21 - Richard Dorsett: - Will there be a means to bring supplies to the tent site or is it locked like stability site?
- 01:28:28 - Lavada Kent-Napier: - need mailing address for carbone
- 01:29:01 - Janet Runbeck: - Caleb, please come Monday, non at the Zoom Safe Sites for All. Topic: inclement weather planning issues
- 01:29:06 - Caleb Carbone: - The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at: [https://www.cityoftacoma.org/UserFiles/Servers/Server\\_6/File/cms/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf](https://www.cityoftacoma.org/UserFiles/Servers/Server_6/File/cms/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf) and is updated weekly.
- 01:29:26 - Andrea Haug: - Jan, per your breakout room question, JKammerzell@cityoftacoma.org Jennifer Kammerzell, my email is senco253@gmail.com
- 01:29:50 - Ed Jacobs: - We found that people in large encampments and the ones and twos need the same things. The problem becomes the 1&2s are much harder to find and are better at hiding. Also the 1&2s are many times co-dependent and want to stay separate from larger groups.
- 01:29:54 - ChiQuata Elder: - Small Group Notes  
Carry comfort kits- some will have food in them, and others have things like handwarmers.  
Good idea for food is source is freeze dried-super light-weight and does not take a lot to prepare.

Carry comfort kits or some with food in them.

Have them ready at all times.

# Tacoma Pierce County Coalition to End Homelessness

<https://pchomeless.org/> - [info@pchomeless.org](mailto:info@pchomeless.org)

Carry small go bags- water or hand warmers, freeze dried foods, super lightweight and does not take a lot to do.

Other jurisdictions have a person who coordinates services between different agencies-will assign areas and who is providing what. Also, great tool to use to communicate information regarding people served. This is a paid position.

01:29:59 - Caleb Carbone: - [ccarbone@cityoftacom.org](mailto:ccarbone@cityoftacom.org), 253-591-5015

01:30:09 - Valeri Almony: - ill fix it

01:30:12 - Valeri Almony: - move to someone else :)

01:30:50 - Gerrit Nyland: - I got my flu shot.

01:31:32 - Ed Jacobs: - 👍

01:31:38 - rosemary Powers: - Group 9 emphasized the importance of collaborations happening between volunteer community advocates/outreach and funded outreach workers. Message to county to move quickly to update HMIS if possible as source for a "by name" list that could help track people who get scattered. important to continue inclement weather meetings and appreciation for volunteer outreach leadership on maps, supply lists etc. For what small things to take with us to address small encampments—soup sharing team, keep socks, hats, gloves, hand warmers in our trunks as we travel the area and see individual or small group camps.

01:32:02 - Zoe Grieder: - If anyone is looking to do some supply shopping, Valley Liquidation has winter gloves for \$5 and a bunch of other needed supplies. I'd have already cleared them out if I weren't sick. TMAC can contribute some money for street teams without funding wanting to pick some stuff up.

01:32:11 - Rob Huff (he/him): - You bring all of the good news, Jennie...

01:32:20 - Jaime Russell: - valeri do you know of a program for ppl needing help with rental deposit?

01:32:25 - Timothy Harris: - Rm 12: Campers always light up at handwarmers when it's cold. Lot's of hand sanitizer to give out but the large wine bottles are not optimal: too big and empties break. Need to transfer to smaller bottles. Surprisingly few tent fires from hand sanitizer; people are usually awake and monitoring flame. Small blue flames are safe but fires happen when people mix in other items to burn. Tent fires draw public attention and escalate fears and blame. Hygiene/cold weather mixed kits are well received. [bagsinbulk.com](http://bagsinbulk.com) a great source for discount blankets, etc. Salvation Army collecting cold weather gear to hand out.

01:32:48 - Valeri Almony: - Jaime, i don't know of any programs that help with deposit. i would encourage them to call 211 and ask their new landlord about payment options

01:32:57 - Rian Booker: - Room 5ish - 1) When a sweep is posted, can we get service providers to give their people a business card so they can reconnect once they're resettled. 2) Jeffery and other have this: help a camp scout and move to a new site. This keeps them in community and makes it easier to find them.

01:34:41 - Jennie Schoeppe: - noooooooooo, get better soon Valeri!!!

01:34:52 - Dana Peregrine: - Breakout room notes - trying to keep track of onesies and twosies, have developed a loop to drive regularly. Other challenges are that it is harder to set up tables to distribute supplies and no easy parking spots. Often the individuals and small groups are trying to stay out of trouble and trying to stay safe. Libraries see lots of solo people. When doing outreach, be careful not to put clients/unhoused in bad situations, nor yourself. Best to do outreach in pairs. Even more desperation is being felt out there.... as a result of all the sweeps and movement.

01:35:03 - Dr. Douglas Jarvie, The Salvation Army: - Jaime, The Salvation Army has a little bit of funding for rental and deposit assistance. 253 572 8452

I would greatly appreciate any suggestions or tips on this matter.

- 01:41:43 - Kenneth King: - Ivy, I believe this came across my attention yesterday as well. MDC should be able to do an assessment and that assessment can be used as a letter of proof. Also, if they are on rental assistance for her specific disability, the apartment should be taking that as evidence as well
- 01:42:04 - Alan Brown: - CCS-Family Housing Network Day Center is open to families with children (experiencing homelessness) on Thanksgiving and the day after, 9 -5. 5050 South Tacoma Way.
