Friday Coalition Meeting – December 16, 2022

00:30:35 - Jay Worley: - Jan Dionne got water

00:32:50 - Mindy McCoy: - That's beautiful! Thank you Ed!

00:33:15 - Melinda/FUSION: - Very moving tribute, thank you.

00:33:45 - Ed Jacobs: - Thank you

00:35:39 - Sally Perkins: - Ed Jacobs, thank you for everything you do.

00:36:15 - Rob Huff (he/him): - Thank you, Ed. You are doing critical work. And 167 people is far too many.

00:37:11 - Sally Perkins: - Thank you CM Hitchen!

00:39:32 - Richard Dorsett: - Mason Hall, age 23, died from a bullet this week. Makeshift memorials, common in the encampments, evoke remembrance of those who died on the streets and remind us that "we all share blame for the crisis and should play a role in its resolution." Sometimes I play loose with numbers, and say those living unsheltered die twenty years earlier than those who are housed. The real number is closer to twenty-four or twenty-six, but I figure saying twenty years is close enough to make the point. Folks living homeless know the score. City officials keep a different score, moving and displacing people on the coldest of days. Winter is coming.

00:40:14 - Stacey Soltoff: - winter is here

00:43:28 - Stacey Soltoff: - when the best services & resources are still woefully inadequate to the current need

00:43:45 - Christine Lindquist: - Thank you, Jan.

00:43:58 - Stacey Soltoff: - preach, sister!

00:44:02 - Paula Anderson: - Thank you Jan....you speak the truth,

00:44:11 - Mindy McCoy: - Thank you Jan.

00:44:22 - Sally Perkins: - How utterly heartbreaking and unnecessary. So sorry Jan, and thank you for your efforts.

00:45:00 - christina feeder: - Thank you Jan this is heartbreaking

00:45:12 - Richard Dorsett: - Sweeps continue. On South Tacoma Way near Tacoma Rescue Mission and behind Northwest Furniture Bank near former 705 encampment. More sweeps scheduled through the winter months. More people displaced and more people will die.

00:46:18 - Rebecca Weatherby: - Can you put that info in the chat Giovanne?

00:46:18 - Theresa Power-Drutis: - Want to do a partner spotlight contact: tpdrutis@nctacoma.org

00:46:18 - Jessica Hall Greater Lakes: - Thank you Giovanne

00:46:19 - Jay Worley: - Giovanne can you please put the number and url and other contact info in the chat?

00:46:50 - Giovanne Schachere: - 1800-524-4827

00:47:43 - Richard Dorsett: - There was another vehicular fire on South Tacoma Mall Blvd. Still no safe place for them to park. Sweeps continue. People will die. Winter is here.

00:47:51 - Stacey Soltoff: - Seattle Now had a great interview earlier this week regarding the immense death toll among Seattle & King County's unhoused neighbors in 2022
<https://www.npr.org/podcasts/807131738/seattle-now>

00:48:50 - Rob Huff (he/him): - jpogue@cmhshare.org

00:49:37 - Timothy Harris: - Fidel!

00:50:30 - Lavada Kent-Napier: - thank you Janet, I'm being targeted through bias serve. 11 years homelessness is a BLack eye on all the services including Vet services. I'm on every waiting list and I've

00:53:33 - Janne@lasa⁸wa.org Hutchins: - check out lasa's website for job announcements for executive director

00:55:17 - Janet Runbeck: - Lavada, never stop telling your story. The only way to combat implicit bias is to shout out the direct impact of systemic disparities.

01:01:33 - Jeffrey Boyce: - Thank you Po.

01:06:04 - Jeffrey Boyce: - Good Morning, Yasmin

01:09:32 - Dean Frazier: - Hey Everybody, I have a case of socks I'd like to donate to the community. I will be at the STAR Center in Tacoma this afternoon and can deliver in the area or arrange to meet to have you pick them up. LMK, thanks! dean.frazier@molinahealthcare.com

01:11:13 - Janet Runbeck: - Dean, you can take the socks to St Vincent DePaul, on S. 56th. Outreach workers pick up donations for distribution to the streets.

- 01:38:38 - Lavada Kent-Napier: - rep Mari Leavitt
- 01:39:01 - Dana Peterson-CCS: - Thank you CM Denson, we appreciate your time.
- 01:39:14 - Jay Worley: - On Behalf of room 5 Thank you Rep Mena for your time today.
- 01:39:39 - Rep.-Elect Mena (LD-29): - Thank you, Jay, for sharing and moderating.
- 01:39:51 - Paula Anderson: - Thank you Laurie Jenkins for listening and your continued support on these important issues
- 01:40:04 - Lavada Kent-Napier: - I'm planning now to build Micro homes for ownership of family instead of paying rent to greedy landlords and adding to tax base in our community
- 01:40:12 - Gerald Daniels: - You were spot on Senator Trudeau, thanks :)
- 01:41:27 - Courtney Love: - Thank you to all the Electeds, for attending.
- Please ban corporate ownership of housing.
- 01:41:42 - Rob Huff (he/him): - Displacement is a huge issue. Thank you for attention to that issue.
- 01:42:19 - Lavada Kent-Napier: - I found two corporations based out of Texas purchase multiple houses slap paint and rent at 2700 plus to military families , because of their housing allowance
- 01:42:20 - Theresa Power-Drutis: - Speaker Jenkins: great job of listening and summarizing the concerns of the group. Thank you for being here with us today!
- 01:42:25 - Tod Gunther: - Forgotten question. What could be done to make the unhomed a protected class from discrimination? This would have an effect. Move the needle.
- 01:43:02 - Richard Dorsett: - Part of my very welcome PERS check arises from state investment in private equity buying up of housing around the country. It seems so weird that I live on a system that causes others to become unhoused.
- 01:43:28 - Courtney Love: - 🙄 Tod
- 01:43:41 - Rob Huff (he/him): - And please take steps to focus housing on those who are at or below 30% Area Median Income - those who are either at the highest risk of homelessness or actually homeless. Thank you!
- 01:43:55 - Dr. Douglas Jarvie The Salvation Army: - thanks, Rep. Mena!
- 01:44:12 - Janet Runbeck: - Richard, it is complicated. Investment dollars are hidden.
- 01:44:17 - Lavada Kent-Napier: - audit of the agencies file by file and match dollars spent on each client and verify the actual receipt of those funds through outcome.
- 01:44:33 - Jeffrey Boyce: - Thank you for being here Speaker Jenkins!
- 01:44:56 - Richard Dorsett: - County had a year to prepare and still doesn't have a standard. Can you help push them to prepare for inclement weather?
- 01:44:58 - Jessica Hall Greater Lakes: - To piggyback off of Rob, yes the "low-income" housing that is being built is not very AFFORDABLE.
- 01:45:02 - Rep.-Elect Mena (LD-29): - I am hanging in for the report-outs, and then I unfortunately have to drop off. Thank you all and I hope to chat with you again soon.
- 01:45:11 - Rob Huff (he/him): - Thank you, CM Campbell.
- 01:45:17 - Crystal Lee Greater Lakes: - We are seeing ALOT more seniors outside
- 01:45:46 - Lavada Kent-Napier: - one reason senior women are being forced out of housing because the no longer serve the purpose they were used for.
- 01:45:55 - Rebecca Weatherby: - Thank you, Councilmember Campbell. It was great to meet you.
- 01:46:04 - Rob Huff (he/him): - That is a sad point, Lavada.
- 01:46:05 - Rian Booker: - Yes Marty! Many small projects in a network vs. big institutional 'camps' or 'barracks'.

- 01:46:24 - Christine Lindquist: - Thank you to everyone for listening so well.

- 01:46:49 - Dr. Douglas Jarvie The Salvation Army: - on a personal note, I want to thank my own elected representatives, Laurie Jinkins, and Robyn Denson, being here today. I feel good about our recent election and this shows me things are continuing to progress and move forward here.
- 01:47:09 - laurie jinkins: - The car repair fund is a recommendation coming from those working on policing issue to try and decrease stops for minor violations because it's frequently these that result in dire consequences.
- 01:47:48 - Lavada Kent-Napier: - 2015 the 60 million housing from legislative body what happen to that?
- 01:48:11 - Gabby: - The public needs a mass information campaign that homeless neighbors are just people. We are so afraid of each other we run to our neighbors and the internet to ask for help because some of us are so paralyzed by the reality of seeing a homeless person we freeze and do nothing. Sure you can't always stop and help a person, but I can't help but think an educated and connected community is the best community
- 01:48:21 - Rep. Mari Leavitt: - Please support HB1012, the Extreme Weather Protection Act, that assists local jurisdictions to set up center in times of cooling, heat extreme events, as well as in times of poor air quality. Hearing will be early in session and would love your signing in for support. It serves our seniors and most vulnerable communities to get shelter. Rep. Mari Leavitt
- 01:48:22 - Lavada Kent-Napier: - the 7 million stolen from pierce county executives?
- 01:48:59 - Rob Huff (he/him): - Thank you!

- 01:50:21 - Dr. Douglas Jarvie The Salvation Army: - and thanks, Rep Trudeau too!
- 01:50:30 - Rep. Mari Leavitt: - Thanks to the Coalitoin and please kindly keep us updated on how we focus or redirect our efforts in Olympia to have the most impact.
- 01:50:49 - Jay Worley: - Dean please touch base with Dr Jarvie for those socks he as the greatest need
- 01:51:24 - Dr. Douglas Jarvie The Salvation Army: - sorry, I mean Senator Trudeau!

- 01:52:40 - Dr. Douglas Jarvie The Salvation Army: - Dean, yes we need socks. I mentioned that we had a few donations of socks and we have been able to distribute them in our food pantry and SHIELD. We do have a great demand for socks with the cold weather happening. We also need blankets.
- 01:53:13 - Dr. Douglas Jarvie The Salvation Army: - thanks Jennie. ordered mine last night!
