Friday Coalition Meeting Chat – March 17, 2023

00:51:17 - Richard Dorsett: - Is daughter Kate's birthday. She always gets free beer today.

00:52:54 - Sally Perkins: - I have my hilltopia tshirt on.

00:53:38 - Richard Dorsett: - A message from Marlene and we are trying to coordinate with Kevin to get Jared into shelter this morning. Maybe some good luck today.

00:54:45 - Rob Huff (he/him) Housing Alliance: - Welcome, Evan!

00:54:59 - Evan Koepfler: - Good morning!

00:54:59 - Anna Baker: - 🙌🙌

00:55:06 - Kenneth King: - @ Bob Vollbracht and Sally Perkins, coordinate that training we were talking about 😊

00:55:11 - Sally Perkins: - hi Evan. 😊

00:56:02 - Dr. Douglas Jarvie, The Salvation Army of Tacoma: - today is also St. Gertrude's Day, the patron saint of animals

00:57:55 - Rob Huff (he/him) Housing Alliance: - We have since learned that the quote was not quite correct, but the sentiment was still bad.

00:58:58 - Jeffrey Boyce: - There is no way to soften that message.

00:59:10 - Kenneth King: - nor should it be soften

00:59:27 - Rob Huff (he/him) Housing Alliance: - Zoom Norms
Mute yourself when not talking.

Use Zoom's raise hand feature if you have something to say.

Limit distractions by turning off your camera if you need to take another call.

00:59:41 - Rob Huff (he/him) Housing Alliance: - Community Norms

Lead with a racial equity lens.

Be aware of power dynamics.

Challenge concepts, not people.

Listen to learn.

One person speaks at a time.

Speak from your own experience.

Make space, take space.

Assume best intentions and take responsibility for impact.

Be aware of time and agenda.

01:02:43 - Sally Perkins: - More individual people sleeping on sidewalks in the hilltop near and in the business district.

01:02:52 - Richard Dorsett: - More of the same. Anticipating a sweep at Union Loop Encampment, but no post yet. Serving food this afternoon at 3:45 if anyone wants to join us.

01:03:04 - Cynthia Stewart: - per Rosemary's intro, here is a League of Women Voters Observer's report of the Tacoma City Council Study Session re homelessness earlier this week. I am curious about some of the assertions... what do you all think?

01:03:29 - Rob Huff (he/him) Housing Alliance: - We will definitely be talking about that today, Cynthia.

01:03:40 - Sally Perkins: - 11th and MLK was swept Mon 3-13, now posted, but not sure it was posted ahead of time.

01:04:10 - Kenneth King: - Tents are dangerous... I was surprised how many folks use them

01:04:34 - Jeffrey Boyce: - Amen Kenneth

01:05:02 - Richard Dorsett: - Carts and people continue to linger near Street of Dreams (South Fife/Post Office). Many scattered and relocating.

01:05:57 - Rian Booker: - Replying to "11th and MLK was swe..."

They posted it about 5 minutes before they started, per Kevin King. The reason was they were blocking the sidewalk. They had been moved before so the city could pressure wash the sidewalk, and were told not to move back at the time.

01:07:58 - Theresa Power-Drutis: - Dear City Council: This is what "100% compliance" really looks like. Nothing to celebrate

01:08:30 - Dionne J: - Agree about medical supplies- we get people who walk in and have the need for wound care kits often.

01:08:35 - Sally Perkins: - Replying to "11th and MLK was swe..."

Thank you Rian

01:08:53 - Jay Worley: -

01:08:55 - Richard Dorsett: - "Voluntary compliance," let's buy them dictionaries.

01:09:29 - Kenneth King: - Wound kits would be very helpful. I have my trauma pack, but its not for handing out

01:09:41 - Bob Vollbracht: - Jay, great idea for sinage at bus stops. Let's talk toay

01:09:51 - Sally Perkins: - do we need to make a set of wound packs?

01:10:14 - Jennie Schoeppe: - Replying to "do we need to make a..."

I was going to ask. Can someone say what exactly you would want in a 'wound pack'?

01:10:18 - Richard Dorsett: - I vote Norman to speak at next council meeting.

01:10:36 - Kenneth King: - I think we need just replacement gauz and ointment, like Jay says. We don't need anything complicated

01:10:53 - Richard Dorsett: - Sally, I think we have more wound packs. I'll check with Liz.

01:11:00 - Anna Baker: - It's also a humanity problem.

01:11:12 - Theresa Power-Drutis: - To Everyone: I have some foot care kits available for outreach - just email me if you want some (thank you Sally, Sam, Health department folk, and all others who helped put these together). tpdrutis@nctacoma.org

01:11:17 - Jay Worley: - Replying to "do we need to make a..."

gauze ointment bandaid, saintizer,(least painful)

01:11:28 - Kenneth King: - Theresa, how has that been going?

01:11:49 - Jay Worley: - Replying to "do we need to make a..."

ace bandage med tape

01:12:01 - Rian Booker: - Tranq is the street name of the animal tranquilizer xylazine. Narcan does not counter it.

- 01:12:41 - Jay Worley: - Sounds good Bob there is something im working on that might fit with this side of the bridge too.
- 01:12:46 - Tod Gunther: - Exactly, Ed. Selective data.
- 01:13:06 - Kenneth King: - I think wounds packs are going more about keeping the sores clean and covered. Not treatment, stabilization, b-con. anything more than swelling and small weeping sores, should be redirected to the hospitals.
- 01:13:16 - Theresa Power-Drutis: - Kenneth: The foot care packs are very welcome - it is going great.
- 01:13:58 - Kenneth King: - Theresa, I'm so thankful that you are running with that. Has their been feedback about the ointments or powders?
- 01:14:02 - Jennie Schoeppe: - Reacted to "I think wounds packs..." with 👍

- 01:15:51 - Rob Huff (he/him) Housing Alliance: - Yes, March 21
- 01:15:52 - Kenneth King: - Jay, not sure about dermaseal. The wounds we are seeing, are both dry and weeping. They may need to breath. But I am not a doctor
- 01:16:34 - Jennie Schoeppe: - Replying to "Yes, March 21"

what time is the mtg?

- 01:16:43 - Rob Huff (he/him) Housing Alliance: - Replying to "Yes, March 21"

It begins at 3 p.m.

- 01:16:58 - Jennie Schoeppe: - Reacted to "It begins at 3 p.m." with 👍
- 01:17:39 - Kenneth King: - Is the TNT article about the Ban info, a discussion point today?
- 01:17:45 - Jay Worley: - ermaseal would be for wet weather to prevent wet damage keeping mud out can save a limb as long as its cleaned well before at taken of in 48 top max it would be a situational item
- 01:18:31 - Jay Worley: - but it would also go over gauze
- 01:18:45 - Kenneth King: - Good point Jay.
- 01:18:53 - Jay Worley: - like a bandage seal
- 01:19:17 - Rob Huff (he/him) Housing Alliance: - Kenneth, I haven't seen the TNT article yet, but I do want to talk about the homelessness review that was presented to the City of Tacoma on Tuesday
- 01:19:44 - Kenneth King: - Did they discuss the report at the review? I missed the adress
- 01:20:09 - Rob Huff (he/him) Housing Alliance: - I was not able to attend, so I will still have to listen to that later.
- 01:21:04 - Kenneth King: - He isn't re running, He can afford the hit
- 01:23:04 - Theresa Power-Drutis: - Kenneth - we added 2 pairs of Bombas sock and a cleaning pack to the booties and foot powder you brought for us (thank you!) The combination of cleaning, treating and putting on dry sox is a good approach - but - the dry weather will be a big boost too. Everyone and their equipment has been hit with damp and cold for months now.
- 01:23:52 - Tod Gunther: - Nice advocacy, Evan. Hat tip.
- 01:24:25 - Jason Christensen: - Sleep Trailers could be a great solution as a stop gap for many people falling through the cracks

- 01:29:49 - Christine Lindquist: - What if they are not eligible for Medicaid due to immigration status?
- 01:29:55 - Richard Dorsett: - Do you go to encampments?
- 01:30:31 - Tod Gunther: - Jason, those trailers look like the Japanese sleep pods in airports. But on wheels.
- 01:30:50 - Jennie Schoeppe: - Rhonda, I can also help you get flyers out to shelter folks, I have contact info for Dr. Jarvie and others!
- 01:31:09 - Tod Gunther: - Bless our nurses 😊
- 01:32:27 - Richard Dorsett: - I am confused. We had two people on from Health Department about pregnancy who only did referrals. But you seem to go out. Is this new? An additional service?
- 01:32:46 - Christine Lindquist: - What an amazing program. I didn't know this was operating here in Pierce County.
- 01:33:51 - Jason Christensen: - Yea I call it the American/mobile version of capsule hotels. Bigger wider and taller than ones you find in Japan
- 01:34:32 - Kenneth King: - its early diversion and not assistance model
- 01:35:03 - Theresa Power-Drutis: - I think there is a good case to be made for exceptions to that rule
- 01:35:36 - Julie Hoffman: - There are other programs in Pierce Co that support women on subsequent pregnancies - they are called Maternal Support Services (MSS) - Step by Step and Answers Counseling are 2 of them.
- 01:36:13 - Theresa Power-Drutis: - Thank you Julie
- 01:36:23 - Dr. Douglas Jarvie, The Salvation Army of Tacoma: - Thanks, Julie. I will look those up.

- 01:37:47 - Theresa Power-Drutis: - An online portal for all of these services would be great!
- 01:37:52 - Jennie Schoeppe: - Reacted to "There are other prog..." with 👍
- 01:37:54 - Leah Ford (she/her): - TPCHD covers many of the gaps NFP is unable to cover via MSS, black infant health, family support partnership, treatment services and so much more. Our maternal child outreach team receives the referral and ensures the correct program is connected to the client.
- 01:38:25 - Kenneth King: - available programs. at all stages

- I sit before the typewriter for days and nothing comes. It feels as if underlining these assaults, lining them up one after the other and looking at them squarely might give them an unbearable power. Yet I know exactly the opposite is true—no matter how difficult it may be to look at the realities of our lives, it is there that we will find the strength to change them. And to suppress any truth is to give it power beyond endurance." Audre Lorde *A Burst of Light and Other Essays* 2017

Tried to get art stuff up and running in the past- Supplies have been much appreciated. Needed collaboration with cafes and such. The balance of supply request vs what's available is tough.

It would be nice to have a central location for storage and space to create. Are there any local studios that would be open to being a resource?

Transportation should also be another considerations or a mobile set up that can go out to sites.
